

Working Bibliography

Key word is WORKING

Designed to show success as well as problems

Finding research problems NOW allows solutions to be easier and more complete

Working Bibliography

Not designed to be actual list of sources

Just a list of what you've found in your INITIAL research

Final list of sources WILL be different

Working Bibliography

No specific format

Can be formally cited MLA or APA

Can be informal, but must give basic info on publisher, issue, year, etc

Working Bibliography

There are NO quota numbers of any particular **type** of source

However, we **DO** expect to see use of **academic** databases

Academic credibility and quality of sources reflects directly on grade
