

Academic Journals

Periodicals published for professional and academic audiences

Meant to be saved, so identified by volume

Instead of D/M/Y, you give **volume** and **year** or **volume, issue #** and **year**

Academic Journals - MLA

Christensen, Lila. "Graphic Global Conflict: Graphic Novels in the High School Social Studies Classroom." *Social Studies* **97.6(2006)**: 227-230. Print.

Cheesman, Kerry. "Using Comics in the Science Classroom." *Journal of College Teaching* **35.4(2006)**: 48-51. Print.

Note how the **volume info** replaces the date info from the regular periodical citation

Academic Journals - APA

Christensen, L. **(2006)**. Graphic global conflict: Graphic novels in the high school Social Studies classroom. *Social Studies*, **97**, 227-230.

Note how the **volume info** replaces the date info from the regular periodical citation

This is CONTINUOUS Pagination, as each issue follows the pages from the last

Academic Journals – APA Separate Pagination

Cheesman, K. **(2006)**. Using comics in the Science classroom. *Journal of College Teaching*, **35(4)**, 48-51.

Some journals start each issue with page 1, so we also need to know **the issue number**, not just the volume number
