

Citation Exercise #2

ENGL 102

Writing and Research

Use your handbook, the WARAC, and the Citation Guide (available from your instructor or from the class website) to find the proper citation form for each of these sources.

Please note that you only have to fill in the blanks, not write out the entire citation. You can write the answers here, or on another piece of paper, but they will need to be transferred to the assessment found in the Online Learning System in order to be graded.
